Dear 

I certainly appreciated your willingness to take the time on the weekend to discuss with me some of our common interests. The briefings and facilities tour that you provided were outstanding. They provided the proper balance of overview and detail. I now feel comfortable discussing your activities in relation to my overall concerns.

I hope you will pass my thanks on to the personnel in your corporation who were involved in preparing for my visit. I look forward to working with you in the future on those problems where we share a mutual concern.

Sincerely,

George Bush
